Re: Application of Duke Energy Progress, Incorporated to Establish a Distributed Energy Resource Program  
**Docket No. 2015-53-E**

Dear Ms. Boyd:

With this letter, the South Carolina Office of Regulatory Staff ("ORS") is re-filing the Settlement Testimony of witness Leigh C. Ford to replace the Settlement Testimony that was originally filed with the Public Service Commission of South Carolina ("Commission") and served on parties on Thursday, May 14, 2015. In its previously filed Settlement Testimony, ORS inadvertently utilized certain numbers that correspond to Duke Energy Carolinas, LLC and not to Duke Energy Progress, Incorporated. ORS included these revisions in Ms. Ford's revised Settlement Testimony. The paragraph below indicates the revisions. There are no other revisions to Ms. Ford's Settlement Testimony.

- Page 4, Lines 3-7: "A new residential solar rebate amount may be evaluated and proposed at each successive achievement of ~~2,000 kW~~ 375 kW of customer-generation capacity and a new non-residential solar rebate amount may be evaluated and proposed at each successive achievement of ~~6,000 kW~~ 1,125 kW of customer generator capacity until Act 236 targets are achieved, or December 31, 2020, whichever occurs sooner."

We apologize for the inconvenience.

Sincerely,
